## **It's time for the Governor to stop his games**

### **Letter from Vice President Dave Nagel**

Well Illinois starts the year with a budget impasse that is slowly choking our communities of needed revenues. The Governor wants his turn around agenda before he will put forward a working balanced budget. The problem with that approach is the amount of damage being done to our communities.

It's time for the Governor to stop his games and put forward a balanced budget. The position of Governor is not Dictator and a state is not a private business.

Just saying "well this worked for private business" doesn't mean it will work with a state. We have seen the bad examples - Wisconsin and Kansas. The ideas our Governor thinks will help have been ineffect there and they haven't panned out. Kansas cut
