IPPFA RETIREMENT GUIDE

UPDATED FOR 2023 **Retirement Guide for Illinois Downstate Fire and Police Active and Retired Members**

IPPFA is pleased to announce the publication of the *IPPFA Retirement Guide*.

The *IPPFA Retirement Guide* is written for anyone who serves or have served in Illinois as police officers and firefighters under the “downstate”

Article 3 and Article 4 pension systems. The book provides both an overview and substantial detail on their well-earned benefits, including:

- Article 3 Police Pensions
- Article 4 Fire Pensions
- Social Security, for personnel both covered and not-covered at police/fire
- Public Employee Deferred Compensation
- Retirement Healthcare Funding Plans

Understanding these income sources is key for your members to plan and execute a successful retirement.

The book is available on Amazon.com for \$9.99 but is offered for bulk sale at \$7.50 to IPPFA Member Pension Funds (and their municipalities, fire districts unions, and foreign, fire insurance boards). This is a great price for any pension fund or related entity that wants to keep their membership informed on their retirement benefits. A minimum order of 10 books is required for bulk sale. Non-member organizations may purchase the book in bulk for \$9.00 per copy.

Payment must be by check and accompany the order
